WEATHER AND RIVERS. Yesterday was cool and pleasant and ost is near at hand. Early risers will see distinct in meaning. You let some lib le defects mar the poem, too, which we have his morning, no doubt, see eigns of old should not lack upon the housetops, awnings, spars, etc. No more welcome visitor could call upon our city at this time than this avant courier of dreary winter. The rivers are without noticeable change for the better. remedied, we hope. 'Down' should not rhyme with 'dawn.' De not forget your promise, nor how alarmingly your debt increases] For the Memphis Appeal.

Ah! I surely hear him coming, Hear his test upon the grass; For the ammer-light has fuled From the highest mountain-pass. Steamer Ozark, White river.

" Little Rock, White river.
" Champlon, New Orleans. Yes! he is already passing Meastow, two is and valley sweet, And the quiet dows are failing, and the winds are low and freet. Steamer Little Rock, St. Louis. was sure I knew the echo, Close ballind me on the bridge In a moment I will greet him As he comes beyond the wall, Ozark, Guidon, Gleaner, Goldfinel Dan. Able, Rose Hambleton, Pilgrini. graing from the pleasant name-lights Plashing out from cot and half. The United States mail packet Ozarb will leave to-day for Devall's Bluff and

Ah! how often he has traced me Hound the hillocks, bare and brown, Through the long red gloom of meadows, When the sun was going down. When I hid me is the shadow, Looking out with glauces shy; Half afraid he would not see me, itsif-afraid to meet his eye. Soft the world has sunk to allence, Gone the steps from bridge and mill; And the marky at its wreathing In a mist around the hill.

Long ago we watched the home-lights, Flashing out from cot and half, When she night with starry lingers Wove the dying day a pull. When we turned with sudden glances, Looking on each other's face, And the munt grew into gloor, And the world to sudden goace. For we found a home, and dre-light Burning through the dust of certle, Where a crowd of shining figures Clustered round a brighter hearth. is he come?—alea, the dreaming!— Als I see the meadow-way, See the quiet lines of cattle Going homeward in the gray.

Than you cetar-shaded nill; & Where the solemn stones look whitely Down at valley, bridge and mill. Now I see the white mist rising Through the shadow on the hill. There are awest pess on the ridges, But the mocking-bird is still. HOFFHEIMER BROTHERS' PROPLE'S BANK OF TENNESSEE, And I see the home-lights flashing, Cheerily from cot said hall; And the night comes from the moorlands, And the stars are over all.

TENNESSEE Suping Rate Suping Rate

Buying Rate Suping Rate Suping Rate Suping Rate

Buying Rate Suping could get along without it in the future. He therefore, moved to strike the word 'masters' out of the section. Capt. Bachelor, of Pittsburg, was in favor of licensing esptains. There have

been boats taken out of this port that have been lest through the incompetency of their captains. Capt. Kouns, of New Orleans, was in favor of striking out engineers and pilots and making the captains entirely respon-sible. If the captain risked his own life and his own property only, it would no make so much difference. When a pas senger goes aboard a boat, he doesn know whether the captain is competent or not. He was decidedly in favor of

icensing captains. He wanted, in addi-ion to other advantages considered, to elevate the calling of steambout cap-Captain Brown said there was anothreason why we should have a few i censed classes in the business as possible It brings about combinations and corporations. For instance, we have been paying \$500 for pilots because the are licensed men, and when we objects to that price, they put it up to \$700. Now can we compete with railroads and p \$500 a month for pilots? He consider

it vital importance to the steam boat in terest to keep down this liceused busi-| months | m Captain Holcroft was in favor of li-censing captains. Before he leaves port with his boat he hires his erew. The pi lot is dependent on him for his position The pilot, under his license, is required to lay up the boat when there is a fog; but if the captain doesn't want to do it. no pilot may not wish to offend him, no keeps on. When we consider that and keeps on. When we consider that the captain has hundreds of people often under his charge, he contended that he should be held in some control.

Captain Gould said there was a dispasition at Washington to license even mates and second mates. There has even been a law introduced in Congress to liceuse mates and second mates. was surprised to hear a man of Cup tain Brown's experience soy he saw to necessity for even licensing pilots-the he sees no detriment to the general legi-ness to permit A, B or C to go aboard a boat and take command, knowing nothing about it, in opposition to him, who has served twenty years. He exposes himself to competition that is unequal. We all remember the lamentable occur which a boat and some lives were lost also that local inspectors were sufficiently well informed to determine who was
